MEGA BROOM PRO BROOM

Push brooms

SweepEx has been proven to reduce labour costs in manual sweeping by 98%!

*Contact your local dealer to find out how much you can save!

Why SWEEP EX?

- ✓ Do you want to keep the premises tidy?
- ✓ Concerned about Health & Safety?
- ✓ Do you have limited free time?

- No moving parts
- No belts or chains
- No motor
- No downtime
- No problem!

Use **SWEEP EX** the unique modular brush system that is extremely efficient and economical for all commercial sweeping!

- Tackles bulky materials
- Will 'squeegee' wet surfaces
- Generates minimal dust
- Is highly durable
- Has an impressive track record of quality
- Is the efficient sweeping solution

Applications

From building sites to farmyards the versatile **SWEEP EX** sweeper system saves time and money. With no moving parts to increase the danger of flying debris, **SWEEP EX** is safe and maintenance-free.

Attach a **SWEEP EX** broom quickly and simply to your host vehicle – a wide range of hitches enables **SWEEP EX** to be attached to compact and large tractors, telehandlers, forklifts, loaders, skidsteers etc. (see opposite).
